LOOSE-LEAF

POINT-TO-POINT & HUNTER CHASE RESULTS

The definitive Results Service, sent weekly to build an un-rivalled Form Book. Personally produced and comprehensively indexed, the Loose-Leaf Results Service covers every Point-to-Point and Hunter Chase in Britain. The Results contain all riders, starting prices and distances, as well as Mackenzie & Harris style comments-in-running. They are cross-referenced to the weekly updated index which contains full pedigrees, race numbers and types, and Mackenzie & Harris ratings for each horse. The best information available, and certainly the most useful tool on the market for pinpointing both Point-to-Point and Hunter Chase winners.
